Snow Removal service contract

Alliet landscaping would like to submit a snow removal contract for snow removal of the Acadia condo association. This bid is for the 2025-2026 snowfall season. For each snowfall event, a charge of \$70 each for units 782, 780, and 772 will be applied. In addition, a charge of \$80 will be applied for unit 770 (\$290/event).

A snow event is when snow falls accumulates to two inches or greater each day. Snow will be removed from driveways and sidewalks. Snow will be cleared after it has stopped snowing with the goal of clearing the driveways after the city plows have come through.

Salting of the driveways and sidewalks can also be provided at a charge of \$30 per application. This application is provided upon request and won't be done unless specifically asked for.

Special consideration will be given on Sundays to get the snow cleared out early and when possible to try and have snow removed by 9 a.m.

I Margie Lloyd authorize Alliet Landscaping to provide snow removal for the Acadia condo association.
