Each Unit Owner shall have the exclusive right to paint, repaint, tile, panel, paper or otherwise furnish and decorate the interior surfaces of the walls, ceilings, floors and doors forming the boundaries of the Unit and all walls, ceilings, floors, and doors within such boundaries, and to erect partition walls of a non-structural nature, provided that such Unit Owner shall take no action which in any way will materially change any common walls.

11. RESTRICTION ON USE AND OCCUPANCY

Each Unit shall be occupied and used only for single family private dwelling purposes as provided in the Bylaws of the Association. No trade shall be carried on anywhere within the Condominium, except as otherwise provided herein. All leases or rental agreements shall be in writing.

Unit Owners may lease or rent a Unit., however, the lease must have a minimum initial term of six (6) months. No more than four (4) Units within the Condominium may be rented at any one time. In the event more than four (4) Units are being offered for rent, at any one time, the Association shall determine the ability to rent a Unit on a time-priority basis as notice is received by the Association from the Unit Owner that a tenant has been procured. No rooms in any Unit may be rented and no transient tenants may be accommodated, even if the unit owner is present during the occupancy. Rentals through similar services such as Airbnb and VRBO are expressly prohibited. As a condition of the rental or lease of a Unit, the Unit Owner grants the Association power of attorney to bring an eviction action against a tenant of the Unit Owner who has failed to comply with the Declaration, the Bylaws, rules of the Association, or any act or omission that constitutes grounds for eviction under Chapter 704 of the Wisconsin Statutes, if the Unit Owner, after being requested by the Association to evict the tenant, fails to take reasonable action to evict the tenant. Giving notice terminating, or not renewing a tenant's lease or rental agreement within sixty (60) days after an eviction request by the Association, constitutes reasonable action to evict the tenant for purposes of this paragraph. The Association shall give the Unit Owner ten (10) days' written notice of the Association's intent to evict a tenant. The cost of the eviction shall be the responsibility of the Unit Owner and shall immediately become a personal debt of the Unit Owner and also a lien, against the Unit to which the charges are assessed, until paid, if a statement of lien is filed within two (2) years after the date the assessment becomes due.

A tenant of a Unit who fails to comply with this Declaration, the Bylaws, rules of the Association, or the Act that results in a charge, fine, or assessment imposed by the Association pursuant to the Bylaws or Association rules is liable for the charge, fine, or assessment. The Unit

Owner of the Unit occupied by the tenant when the violation occurred is liable for any charges, fines, or assessments imposed by the Association for which the tenant is liable that are not paid by the tenant within thirty (30) days after receiving notice of the charge, fine, or assessment. If the Association imposes a charge, fine, or assessment as a result of a violation by the tenant of a Unit, the Association shall give notice to the tenant by any method under Wisconsin Statute Section 704.21(1)(a)-e) and to the Unit Owner of the Unit occupied by the tenant by any method under Wisconsin Statute Section 704.21(2)(a)-(d). The notice shall include all of the following:

- A. The amount of charges, fines, or assessments for which the tenant is liable.
- B. Notice that if the tenant fails to pay the Association the amount for which the tenant is liable within thirty (30) days after the tenant receives the notice, the Unit Owner is liable to the Association for the unpaid amount by the tenant.

The rental or lease of a Unit constitutes an agreement by the tenant, as a condition of the Lease, to comply with this Declaration, the Bylaws, the rules of the Association, and the provisions of the Act. Within five (5) business days after entering into or renewing a written Lease Agreement, the Unit Owner shall provide a copy of the Lease Agreement and tenant contact information, including name and telephone number, to the Association. The Association shall keep a copy of the Lease Agreement on file while the Lease Agreement is in effect. Prior to the occupancy of a Unit, the Unit Owner shall provide a copy of this Declaration, the Bylaws, and the rules of the Association, to the tenant, or place the information in the Unit.

12. DESTRUCTION AND RECONSTRUCTION

In the event of a partial or total destruction affecting one or more of the Units of the Condominium, the Association shall promptly undertake to repair or reconstruct it to a condition compatible with the remainder of the Condominium. On reconstruction the design, plan and specifications of any building or Unit, may vary from that of the original upon the approval of the Association, provided, however, that the number of square feet of any Unit may not vary more than five percent (5%) from the number of square feet for such Unit as originally constructed, and the location of the buildings shall be substantially the same as prior to damage or destruction.

If a Condominium is damaged to an extent more than the available insurance proceeds, the Condominium shall be subject to an action for partition upon obtaining the written consent of the Unit Owners having seventy-five percent (75%) or more of the votes. A determination as to whether or not to reconstruct and repair the damaged premises or to subject the Condominium to an action for partition shall be made within ninety (90) days from the date of the fire, casualty or disaster. In the case of partition, the net proceeds of sale together with any net proceeds of insurance shall be considered as one fund and shall be divided among all Unit Owners in proportion to their percentage interest in the Common Elements, and shall be distributed in accordance with the priority of interest in each Unit.

If the insurance proceeds are insufficient to reconstruct or repair the damaged premises and the necessary seventy-five percent (75%) or more of the votes necessary to subject the Condominium to an action for partition are not obtained, then the damaged premises shall be reconstructed and repaired by the Association with the insurance proceeds, and the Unit Owners

shall be assessed for the deficiency in accordance with the percentage of ownership in the Common Elements.

In the event of partial or total destruction of a building or buildings and it is determined to repair or reconstruct such building or buildings the proceeds of the Association's insurance shall be paid to the Association to be applied to the cost thereof and the Unit Owners and mortgagees shall not be entitled to receive payment of any portion of insurance proceeds. If it is determined not to reconstruct or repair the Condominium, or the Court has ordered partition of the Condominium, then the proceeds shall be distributed to the Unit Owners and their mortgagees, if any, as their respective interest may appear in the manner provided by the Act. If after the Common Elements have been completely repaired or restored, and there is a surplus of insurance proceeds, then the surplus shall be considered a common surplus and may, at the direction of the Board of Directors, be distributed to the Unit Owners in accordance with their percentage of ownership in the Common Elements.

13. INSURANCE

13.1 PROPERTY DAMAGE INSURANCE. The Board of Directors of the Association shall obtain, to the extent available in the normal commercial marketplace, broad form insurance against loss by fire and against loss by lightning, windstorm, hail, snow storm and other risks normally included within risk of loss extended coverage, including vandalism and malicious mischief, insuring all Common Elements, Units and Unit upgrades or betterments, together with all service machinery appurtenant thereto, as well as all personal property belonging to the association, but excluding any Unit Owner personal property, in an amount equal to the full replacement value, with code upgrades, without deduction for depreciation. The Board of Directors shall obtain a third-party insurance appraisal, to be updated at least every 5 years, to determine the full replacement value of the Property insured. The insurance shall be obtained in the name of the Association as trustee for each of the Unit Owners and their respective mortgagees as their interest may appear. Premiums shall be a common expense. The Association is hereby designated and each Unit Owner hereby appoints the Association to represent the Unit Owners in any related proceedings, negotiations, settlements, or agreements, regarding the insurance coverage. Each Unit Owner hereby appoints the Association as an attorney-in-fact for the purpose of representation in any related proceedings, negotiations, settlements, or agreements, regarding insurance. To the extent possible, the insurance shall provide that the insurer waives its right of subrogation as to any claim against Unit Owners, the Association, and their respective servants, agents and guests, and that the insurance cannot be cancelled, invalidated nor suspended on account of conduct of any one or more Unit Owners or the Association or their servants, agents and guests, without thirty (30) days prior written notice to the Association giving it opportunity to cure the defect within that time. The amount of protection and the types of hazards to be covered shall be reviewed by the Board of Directors at least annually and the amount of coverage may be increased or decreased at any time it is deemed necessary as determined by the Board of Directors to conform to the requirements of full insurable value.

13.2 ADDITIONAL INSURANCE. In addition to the insurance required above, the Board shall obtain, to the extent available in the normal commercial marketplace, with the costs thereof to be borne as a Common Expense:

- A. Worker's compensation insurance;

B. Liability insurance providing coverage in an amount not less than two million dollars (\$2,000,000) per occurrence for injury, including death, and property damage covering the Association, the Board of Directors, officers, and all agents and employees of the Association, and all Unit Owners and other persons entitled to occupy any Unit or other portion of the Property;

C. Directors and Officers Insurance covering the officers, directors, property managers and volunteers;

D. Fidelity insurance covering officers, directors, property managers, employees, and other persons who handle or are responsible for handling Association funds. Such insurance shall be in an amount at least equal to no less than three (3) months' operating expenses plus reserves on hand as of the beginning of the fiscal year and shall contain waivers of any defense based upon the exclusion of persons serving without compensation; and

In addition to the insurance required above, the Board of Directors may obtain such other insurance, including cyber or automobile insurance, as it deems necessary.

13.3 INSURANCE DEDUCTIBLE. In the event of any insured loss on the Association's master insurance policy, the Association's deductible shall be the responsibility of the person or entity (including the Association) who would be responsible for such damage under the Condominium Documents, in the absence of insurance. If the cause of loss originates within a Unit, the Unit Owner is responsible for the damage costs up to the Association's master insurance policy deductible. If the cause of the loss originates in more than one Unit or a Unit and the Common Elements, the responsibility for paying the Association's deductible shall be equitably apportioned by the Board in its sole discretion among the Unit(s) and/or Common Elements where the loss originated.

13.4 UNIT OWNER INSURANCE. The Unit Owners shall be responsible for and shall obtain insurance coverage for the personal property within the Unit, and also for coverage for Building/Additions and Alterations/Improvements and Betterments (Coverage A), and loss assessment coverage, at a minimum limit of the Association's master policy deductible.

14. LIABILITY FOR COMMON EXPENSES

The costs of administration of the Association, insurance, repair, maintenance and other expenses of the Common Elements and Limited Common Elements, and the common services provided to the Unit Owners shall be paid for by the Association. The Association shall make assessments against the Unit Owners, as well as the Units themselves, for such common expenses and for the creation of reserves for the payment of future common expenses with each Unit subject to said assessment paying an equal share of the assessment. Assessments shall be due in advance on the first day of each month, or in such other manner as the Association may set forth in the Bylaws.

A Unit Owner shall be liable for all assessments, or installments thereof, coming due while owning a Unit, including any assessments coming due during the pendency of any claim by the Unit Owner against the Association, or during any period in which the Unit is not occupied by the Unit Owner, or is leased or rented to any other person. In a voluntary grant, the grantee shall be jointly

and severally liable with the grantor for all unpaid assessments against the grantor for his or her share of the common expenses up to the time of the voluntary grant for which a statement of condominium lien is recorded. without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments.

No Unit Owner may exempt himself or his Unit from liability for his contribution toward the common expenses by waiver of the use or enjoyment of the Common Elements or Limited Common Elements or services or by the abandonment of his Unit.

All common expenses and assessments, when due, together with late fees, interest, and attorney's fees and costs, if any, shall immediately become a personal debt of the Unit Owner and also a lien, against the Unit to which the charges are assessed, until paid, if a statement of lien is filed within two years after the date the assessment becomes due. The lien is effective against a Unit at the time the assessment became due regardless of when within the two year period it is filed.

A lien for delinquent common expenses that the Association assesses against a Unit will be subordinate to a first mortgage on the Unit, if the mortgage was recorded before the delinquent assessment was due, to the extent the same is set forth in the Act. In addition, a lien for common expenses will not be affected by the sale or transfer of a Unit unless a foreclosure of a first mortgage is involved, in which case the foreclosure will extinguish the lien for any assessments that were payable before the foreclosure sale to the extent the same is set forth in the Act, but will not release any subsequent Unit Owner from paying any further assessments.

The Association is granted the power to collect levied assessments from the Unit Owners in accordance with legal remedies available if the assessments are not paid when they are due. The assessments, including late fees and interest at a rate set forth in the Rules and Regulations, costs and reasonable attorneys' fees, shall become a lien against the Unit.

All sums assessed by an association, but unpaid for, regarding the share of the common expenses chargeable to any Unit constitutes a lien on the Unit and on the undivided interest in the Common Elements and Limited Common Elements appurtenant thereto prior to all other liens except those specified in the Act.

The common surpluses resulting from the operation of the Condominium shall be credited to the Unit Owner's assessments for common expenses, or shall be used for any other purpose as the Association decides, or shall be refunded to the Unit Owners with each Unit receiving a share of said surplus in proportion to the dues paid by the Unit Owner during the preceding twelve (12) month period.

A grantee of a Unit is entitled to a statement from the Association, or the Board of Directors, setting forth the amount of unpaid assessments against the grantor of a Unit. The grantee of a Unit is not liable for, nor shall the Unit conveyed be subject to a lien that is not filed for, any unpaid assessment against the grantor in excess of the amount set forth in the statement. If the Association, or the Board of Directors, does not provide such a statement within ten (10) business days after the grantee's request, the Association is barred from claiming under any lien that is not filed prior to the request for the statement against the grantee.

15. PARTITION OF COMMON ELEMENTS PROHIBITED

There shall be no partition of the Common Elements and Limited Common Elements through judicial proceedings or otherwise until this agreement is terminated and the property is withdrawn from its terms or from the terms of the applicable statutes regarding unit ownership or condominium ownership; provided, however, that if any Unit shall be owned by two or more co-owners as tenants in common or as joint tenants, nothing contained herein shall be deemed to prohibit a voluntary or judicial partition of said single Units as between such co-owners.

16. CONVEYANCE TO INCLUDE INTEREST IN COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

The percentage of the undivided interest in the Common Elements and Limited Common Elements shall not be separated from the Unit to which it appertains. No Unit Owner shall execute any deed, mortgage, lease or other instrument affecting title to such Unit without including therein both his interest in the Unit and his corresponding percentage of ownership in the Common Elements and Limited Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

17. EASEMENTS, RESERVATIONS AND ENCROACHMENTS

17.1 UTILITIES. Easements are hereby declared and granted for the benefit of the Unit Owners and the Association for utility purposes, including the right to install, lay, maintain, repair and replace water mains and pipes, heating ducts and piping, sewer lines, gas mains, telephone wires and equipment, master television antenna system wires and equipment, cable television equipment, and electrical conduits and wires and equipment, including power transformers, over, under, along and on any part of the Common Elements and Limited Common Elements.

17.2 PERMITS, LICENSES AND EASEMENTS. The Association, by and through the Board of Directors, shall have the right to grant permits, licenses and easements over the Common Elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the property.

17.3 ENCROACHMENTS. In the event that by reason of the construction, reconstruction, settlement, or shifting of any building, or the design or construction of any Unit, any part of the Common Elements, or Limited Common Elements, encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Elements, Limited Common Elements, or any portion of any Unit encroaches upon any part of any other Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit so long as all or any part of the building containing such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any Unit or in favor of the owner or owners of the Common Elements or Limited Common Elements, if such encroachments occurred due to the willful conduct of said owner or owners.

17.4 BINDING EFFECT. All easements and rights described herein are easements appurtenant, running with the land, and are subject to the reasonable control of the Association. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on, the undersigned, its successors and assigns, and on all Unit Owners, purchasers and mortgagees and their heirs, executors, administrators, successors and assigns. The Association shall have the authority to execute all documents necessary to carry out the intent of this Section.

18. FAILURE OF ASSOCIATION TO INSIST ON STRICT PERFORMANCE NOT WAIVER

The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from a Unit Owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

19. AMENDMENTS TO DECLARATION

Except as otherwise provided by the Act, this declaration may be amended with the written consent of at least Sixty-seven percent (67%) of the aggregate votes of the Unit Owners. A Unit Owner's written consent is not effective unless it is approved in writing by the first mortgagee of the Unit, or the holder of an equivalent security interest, if any, to the extent the same is required by the Act. The documents submitting the amendment for recording shall state that the required consents and approval for the amendment were received. A copy of the amendment shall be recorded with the Register of Deeds for Waukesha County and a copy of the amendment shall also be mailed, emailed, or personally delivered to each Unit Owner at his address on file with the Association. In addition to the foregoing, this Declaration may be amended in any other manner provided under the Act. No action to challenge the validity of an amendment under this Section may be brought more than one (1) year after the amendment is recorded.

20. VOLUNTARY TERMINATION OF CONDOMINIUM

Upon the written consent of all Unit Owners, all or any part of the property may be removed from the provisions of the Act by an instrument to that effect, duly recorded with the Register of Deeds for Waukesha County, provided that the holders of all liens affecting any of the Units consent thereto or agree, in either case by instrument duly recorded with the Register of Deeds of Waukesha County, that their liens be transferred to the percentage of the undivided interest of the Unit Owner in the property. Upon removal of any property from the Act, the property shall be deemed to be owned in common by the Unit Owners. The undivided interest in the property owned in common which appertains to each Unit Owner shall be the percentage of undivided interest previously owned by the owner in the Common Elements.

21. NOTICES

21.1 NOTICES TO UNIT OWNERS. All notice and other documents required to be given by this Declaration or the Bylaws of the Association shall be sufficient if given to one (1) registered owner of a Unit regardless of the number of owners who have an interest therein. All Unit Owners shall provide the Secretary of the Association with an address for the mailing or service of any notice or other documents and the Secretary shall be deemed to have discharged his duty with respect to the giving of notice by mailing it, emailing it, or having it delivered personally to such address as is on file with him.

The acceptance of a deed or conveyance, or the entering into of a lease, or the entering into of occupancy

of any Unit shall constitute an acceptance of the provisions of such instruments, as they may be amended from time to time, by such owner, tenant or occupant. The provisions contained in such instrument shall be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and fully stipulated in each deed, conveyance or lease thereof. AMENDED AND RESTATED BYLAWS
OF
MEADOWS OF RIVERPARK CONDOMINIUM ASSOCIATION, INC.

ARTICLE I

NAME AND PURPOSE

The following are adopted as the Amended and Restated Bylaws of Meadows of Riverpark Condominium Association, Inc. (hereinafter referred to as the “Association”), which is a non-stock, non-profit corporation formed and organized to serve as an Association of the owners of Units (hereinafter referred to as “Unit Owners”) who own real estate and improvements (hereinafter the “Property”) under the condominium form of use and ownership, as provided in the Condominium Ownership Act under the laws of the State of Wisconsin and subject to the terms and conditions of the Declaration, which is incorporated by reference.

These Bylaws shall be deemed covenants running with the land and shall be binding on the Unit Owners, their heirs, administrators, personal representatives, successors and assigns.

ARTICLE II

MEMBERS, VOTING AND MEETINGS

2.1 MEMBERS. The Association shall have one class of members, and the rights and qualifications of the members are as follows:

1. Defined. Members shall be all Unit Owners and shall have one vote for each Unit owned. Every Unit Owner upon acquiring ownership automatically becomes a member of the Association and remain a member thereof until such time as his ownership of such Unit ceases for any reason, at which time his membership in the Association shall automatically cease.

2. One Vote Per Unit. One membership and one vote shall exist for each Unit. If title to a Unit is held by more than one person, the membership related to that Unit shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which the title to the Unit is held. Voting rights may not be split, and shared membership interest must be voted pursuant to the nomination contained in the Membership List. The Association may prohibit any Unit Owner from voting at a meeting if the Association has a recorded statement of condominium lien on the person’s Unit and the amount necessary to release the lien has not been paid at the time of the meeting.

3. Membership List. The Association shall maintain a current Membership List showing the membership pertaining to each Unit and the person designated to cast the one vote pertaining to such Unit. Only the person so designated shall be entitled to cast a vote in person or by proxy. A designation may be changed by notice in writing to the Secretary of the Association signed by a majority of the persons having an ownership interest in the Unit.

Every Unit Owner shall furnish the Association with his or her name and current mailing address, and email address, if any. No Unit Owner may vote at a meeting of the Association unless this information is furnished.

4. Transfer of Membership. Each membership shall be appurtenant to the Unit upon which it is based and shall be transferred automatically upon conveyance of that Unit. Membership in the Association may not be transferred, except in connection with the transfer of a Unit. Upon transfer of a Unit, the Association shall, as soon as possible thereafter, be given written notice of such transfer, including the name of the new Owner, identification of Unit, date of transfer, name of the person designated to vote, and any other information about the transfer which the Association may deem pertinent and the Association shall make appropriate changes to the Membership List effective as of the date of transfer.

2.2 QUORUM AND PROXIES FOR MEMBERS' MEETINGS. A quorum for members' meeting shall consist of a majority of votes entitled to vote. Votes may be cast in person, by proxy, or electronically (remotely through electronic means) in accordance with designations in the Membership List. The act of a majority of votes present in person or by proxy at any meeting at which a quorum is present shall be the act of the members. Proxies shall be valid only for the particular meeting(s) or time period designated therein, unless sooner revoked, and must be filed with the Secretary before the appointed time of the meeting. Proxies may be filed with the Management Company via email or other electronic means. If any meeting of members cannot be organized because a quorum is not present, a majority of the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, without further notice. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally noticed.

2.3 TIME, PLACE, NOTICE AND CALLING OF MEMBERS' MEETINGS. Written notice of all meetings stating the time and place and the purposes for which the meeting is called shall be given by the President or Secretary, unless waived in writing, to each member at his address as it appears on the books of the Association and shall be mailed, emailed, or personally delivered not less than ten (10) days nor more than thirty (30) days prior to the date of the meeting. Notice of meetings may be waived before or after meetings. Meetings shall be held at such time and place as may be designated by the Board of Directors. The annual meeting shall be held during the second quarter of each year, or at other such time as designated by the Board of Directors, for the purpose of electing directors and of transacting any other business authorized to be transacted by the members. Special meetings of the members shall be held whenever called by the President or any two members of the Board of Directors and must be called by such officers upon receipt of a written request signed by members with one-third (1/3) or more of all votes entitled to be cast.

2.4 ACTION WITHOUT A MEETING BY WRITTEN/ABSENTEE BALLOT. Any action required or permitted by any provision of the Wisconsin Nonstock Corporation Law, the Declaration, the Articles of Incorporation, or these Bylaws to be taken by the vote of the unit owners may be taken without a meeting if the Association delivers a written ballot to every unit owner entitled to vote on the matter. The written ballot may be delivered to the unit owner by any of the methods set forth in Article II, Section 2.3 above. The written ballot shall set forth each proposed action, shall provide an opportunity to vote for or against each proposed action, and shall be accompanied by a notice stating the number of responses needed to meet the quorum requirements,

the percentage of approvals necessary to approve each matter other than election of directors, and the time by which the ballot must be received by the property manager of the Association in order to be counted. Approval of any action by written ballot shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. Ballots may be delivered to the Secretary via email, or other electronic means. Once received by the Secretary of the Association, a written ballot may not be revoked.

ARTICLE III

BOARD OF DIRECTORS

3.1 NUMBER AND QUALIFICATIONS OF DIRECTORS. The Board of Directors shall consist of five (5) persons, to be classified with respect to the terms for which they severally hold office as set forth in Paragraph 3.3 below. Each member of the Board of Directors shall be a member of the Association or, in the event that such member of the Association is not a natural person, the appointee of such member of the Association.

3.2 POWERS AND DUTIES OF THE BOARD OF DIRECTORS. The affairs of the Association shall be governed by the Board of Directors. All powers and duties as shall be necessary for the administration of the affairs of the Association shall be exercised by the Board of Directors. Such powers and duties shall be exercised in accordance with the provisions of the Declaration, the Articles of Incorporation and these Bylaws.

3.3 ELECTION AND TERM OF DIRECTOR. The members shall elect five (5) directors

who shall be elected to hold office for a term of three (3) years or until their successors are duly elected and qualified, or until any of said directors shall have been removed in the manner hereinafter provided. The directors' terms shall be staggered so that the term of at least one-third of the directors shall expire in each year.

3.4 VACANCIES ON BOARD. Vacancies on the Board of Directors caused by any reason other than the removal of a director by a vote of the members shall be filled by a vote of the majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall be a director until a successor is elected at the next annual meeting of the members at which that class of directors is to be elected.

3.5 REMOVAL OF DIRECTORS. At any regular or special meeting duly called, any one or more of the directors may be removed with or without cause by a majority of the votes of the members entitled to be cast and a successor may then and there be elected to fill the vacancy thus created.

3.6 REGULAR MEETINGS AND NOTICE. A regular annual meeting of the Board of Directors shall be held immediately after, and at the same place as, the annual meeting of the members. Notice of the regular annual meeting of the Board of Directors shall not be required.

3.7 SPECIAL MEETINGS AND NOTICE. Special meetings of the Board of Directors may be called by the President or by two (2) directors on three (3) days prior written notice to each director, given personally, by mail, or by email or other electronic means, which notice shall state the time, place and purpose of the meeting.

3.8 WAIVER OF NOTICE. Before, at or after any meeting of the Board of Directors, any director may in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all of the directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

3.9 QUORUM OF DIRECTORS – ADJOURNMENTS. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. If, at any meeting of the Board of Directors, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time without further notice. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting as originally called may be transacted.

3.10 FIDELITY BONDS. The Board of Directors may require that some or all officers and/or employees of the Association handling or responsible for Association's funds shall furnish adequate fidelity bonds. The premiums on any such bonds shall be paid for by the Association.

3.11 COMPENSATION. No director of the Association shall receive any fee or other compensation for such services rendered to the Association, except by specific resolution of the membership.

3.12 INFORMAL ACTION. Any action which is required to be taken at a meeting of the Board of Directors or which may be taken at such meeting, may be taken without a meeting if a consent in writing setting forth the action so taken shall be submitted (electronic submissions are permitted) by all of the directors entitled to vote with respect to the subject matter. Such consent shall have the same force and effect as unanimous vote, and shall be recorded in the minutes of the subsequent Board meeting.

ARTICLE IV

OFFICERS

4.1 DESIGNATION, ELECTION AND REMOVAL. The principal officers of the Association shall be a President, Vice-President, Secretary and Treasurer, to be elected annually by the Board of Directors. Upon the affirmative vote of a majority of the members of the Board of Directors, any officer may be removed, either with or without cause, and his successor shall be elected at the regular meeting of the Board of Directors, or at any special meeting called for that purpose. Any two or more offices, except a combination of the offices of President and Secretary and a combination of the offices of President and Vice-President, may be held by the same person.

4.2 PRESIDENT. The President shall be selected from among the members of the Board of Directors and shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all the general powers and duties which are usually vested in the office of President, including, but not limited to, the power to sign, together with any other officer designated by the Board, any contracts, checks, drafts, or other instruments on behalf of the Association in accordance with the provisions herein.

4.3 VICE-PRESIDENT. The Vice-President shall be selected from among the members of the Board of Directors and shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If both the President and Vice-President are unable to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice-President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

4.4 SECRETARY. The Secretary shall be selected from among the members of the Board of Directors and shall keep the minutes of all meetings of the Board of Directors and of the Association and shall have charge of the Association's books and records, and shall, in general, perform all duties incident to the office of Secretary.

4.5 TREASURER. The Treasurer shall be selected from among the members of the Board of Directors and shall have responsibility for the Association's funds and shall be responsible for keeping full and accurate accounts of all receipts and disbursements and financial records and books of account on behalf of the Association. He shall be responsible for the deposit of all monies and all valuable effects in the name, and to the credit, of the Association in such depositories as may from time to time be designated by the Board of Directors. The Treasurer shall also be responsible for the billing and collection of all common charges and assessments made by the Association.

4.6 LIABILITY OF DIRECTORS AND OFFICERS. No person shall be liable to the Association for any loss or damage suffered by it on account of any action taken or omitted to be taken by him as a director or officer of the Association; if such person (a) exercised and used the same degree of care and skill as a prudent man would have exercised or used under the circumstances in the conduct of his own affairs, or (b) took or omitted take such action in reliance upon advice of counsel for the Association or upon statements made or information furnished by officers or employees of the Association which he has reasonable grounds to believe to be true. The foregoing shall not be exclusive of other rights and defenses to which he may be entitled as a matter of law.

4.7 COMPENSATION. No officer of the Association shall receive any fee or other compensation for services rendered to the Association except by specific resolution of the membership.

ARTICLE V

OPERATION OF THE PROPERTY

5.1 THE ASSOCIATION. The Association, acting through the Board of Directors, shall be responsible for administration and operation of the condominium property, in accordance with the

Declaration, the Articles of Incorporation, and these Bylaws. The Association may contract for management services and a managing agent with respect to the administration and operation of the condominium.

5.2 RULES AND REGULATIONS. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the Units, Common Elements, and Limited Common Elements by the Unit Owners and occupants. Such rules and regulations of the Association shall not be inconsistent with the terms of the Declaration or the contracts, documents, and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective Units, Common Elements, and Limited Common Elements by persons entitled thereto.

5.3 COMMON EXPENSES. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the assessments payable by each Unit to meet the estimated expenses of the Association for the ensuing year. The amounts required by such budget shall be allocated among, and assessed against the Units as set forth in the Declaration. The assessment shall be prorated and paid monthly to the Association on or before the first day of each month. If any payment is not made within ten (10) days of the due date, a late fee may be assessed and the charges shall bear interest at the rate set forth in the Rules and Regulations until paid in full.

5.4 OPERATING BUDGET. The annual operating budget shall set forth all of the following:

- (a) All anticipated common expenses and any amounts to be allocated to a reserve fund.
- (b) The amount and purpose of any other anticipated Association expenditures.
- (c) The amount in any reserve fund or any other funds held for future expenditures.
- (d) Any common surpluses.
- (e) The amount and source of any income, other than Unit Owner assessments.
- (f) The aggregate amount of any assessment to be levied against Unit Owners and the purpose of the assessment.

The annual operating budget shall provide for two funds, one of which shall be designated the "operating fund" and the other the "reserve fund." The operating fund shall be used for all expenses of the Association which occur with greater than annual frequency, such as amounts required for the cost of maintenance of the Common Elements and Limited Common Elements, lawn care and snow removal, insurance, common services, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses such as painting or renovation. In the event the Association incurs extraordinary expenditures not originally included in the annual budget, the directors may charge all or part of the expense against the reserve fund and/or levy a further assessment against the Units which are subject to assessment equally.

The reserve fund may include such amounts as the Board of Directors may deem necessary to provide for the purchase or lease of any Unit whose owner wishes to sell or lease to the Association. The reserve fund may also be used to discharge mechanic's liens or other encumbrances levied against the entire property, or against each Unit, if resulting from action by the Association. The Unit Owner or Unit Owners responsible for any lien which is paid by the Association, but not the obligation of the Association, shall be specially assessed for the full amount thereof. The directors may also use the reserve fund for the maintenance and repair of any Unit if such maintenance and repair is necessary to protect the Common Elements. The full amount of the cost of any such maintenance or repair shall be specially assessed to the Unit Owner responsible thereof.

The Board of Directors shall determine the amount to be assessed Unit Owners for reserve funds after considering all of the following:

- (a) The reserve funds currently in the fund.
- (b) The estimated cost of repairing or replacing common elements, other than routine maintenance.
- (c) The estimated remaining useful life of the common elements.
- (d) The approximate proportion of the estimated cost of repairing or replacing common elements that would be covered by the reserve funds and the approximate proportion that will be funded by other means.
- (e) Any other factor that the Association considers relevant.

The annual budget shall be prepared and determined by December 15 of each calendar year. The Board of Directors shall advise all members of the Association in writing of the amount of the assessments payable on behalf of each Unit by the date of the annual members' meeting and shall furnish copies of the budget on which such assessments are based to each member.

If within fifteen (15) days after the annual membership meeting a petition is presented to the Board of Directors protesting such charges or the budget upon which they are based, and the petition is signed by members representing more than fifty percent (50%) of the membership entitled to vote with respect to such charges, then the directors shall notify all members of a meeting called for the sole purpose of reviewing such charges or budget. At such meeting, the vote of more than fifty percent (50%) of the membership entitled to vote may revise the budget and charges, and such revised budget and corresponding charges shall replace for all purposes the ones previously established; provided, however, that the annual budget and charges may not be revised downward to a point lower than the average total budget for the preceding two years and provided further, that if a budget and charges have not been established and made for any two preceding years, then the budget and charges may not be revised downward until two years of experience exist.

5.5 DEFAULT. If a member of the Association is in default in payment of any assessments for a period of more than thirty (30) days, the Board of Directors, in the name of the Association, may bring suit for and on behalf of the Association, as representative of all members, to enforce collection of such delinquencies or to foreclose the lien therefor, as provided by law, and

there shall be added to the amount due the collection costs and any late fees, interest, together with the actual attorney's fees incurred by the Association.

5.6 MANNER OF BORROWING MONEY. Upon the affirmative vote of Unit Owners having sixty-seven percent (67%) or more of the votes at a meeting called for such purpose, the Association may borrow money for Association needs and assess Unit Owners a charge sufficient to cover monthly principal amortization and interest. The President and Secretary on behalf of the Association shall be authorized to execute the necessary loan documents.

5.7 MANNER OF ACQUIRING AND CONVEYING PROPERTY. Upon the written consent of seventy-five percent (75%) or more of the Unit Owners, the Association may acquire land in its own name. The President and Secretary on behalf of the Association shall be authorized to execute necessary documents to effectuate the acquisition.

Upon written consent of One hundred percent (100%) of Unit Owners and mortgagees portions of the Property as described in the Declaration may be sold. However, the Declaration shall be amended to reflect such sale. Proceeds of any sale shall be divided among the Unit Owners according to their percentage of ownership in Common Elements.

ARTICLE VI

DUTIES AND OBLIGATIONS OF UNIT OWNERS

6.1 RULES AND REGULATIONS. The Units, Common Elements, and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these Bylaws, and the rules and regulations of the Association, including the following:

(a) USE. No Unit to be occupied or used for any purposes other than a single family private residence.

(b) OBSTRUCTIONS. There shall be no obstruction of the Common Elements and nothing shall be stored therein without the prior consent of the Association.

(c) INCREASE OF INSURANCE RATES. Nothing shall be done or kept in any Unit, Common Element, or Limited Common Element which will increase the rate of insurance on the Condominium without the prior consent of the Association. No Unit Owner shall permit anything to be done or kept in his Unit or Limited Common Element which will result in the cancellation of insurance on any Unit or any part of the Condominium, or which would be in violation of any law or ordinance. No waste will be committed in the Common Elements or Limited Common Elements.

(d) ANIMALS. No reptiles or uncaged birds shall be permitted within the Condominium. Unit Owners may keep no more than two (2) animals per Unit; provided, however, that:

(i) The animal is under twenty-six (26") inches in height when measured from the base of its fore-paw to the top of the corresponding shoulder;

(ii) The animal is not permitted on any of the Common Elements while unattended or unleashed;
