Nicely updated 2nd floor unit is ready for you to move in & enjoy! This condo has many updates. There is newer flooring, new toilets, new disposal and USB outlets are in the kitchen and living room. The kitchen has up lighting and under cabinet lighting on the cabinets. The living room has a cozy electric fireplace that throws out heat on those chilly winter nights. A glass French door in the living room leads out to your own private balcony. The primary bedroom is an en suite with the bath conveniently right there for you. Amenities include in-unit laundry, a private entrance and a private garage with an electric opener (one of the few units that offer this feature). Opportunity knocks to call this well maintained unit "home sweet home".
